Specification Summary

Brand	Borg Accessories
Product type	Borg Accessories

Product Description

The Borg 5000 Series Accessory Pack is a comprehensive spares and replacement kit designed specifically for the Borg BL5000 and BL5400 series of mechanical digital locks. Ideal for routine maintenance, re-handing, or code-changing tasks, this pack contains all the essential fixing screws, tumblers, and tools required to keep your digital lock fully operational.

Whether you are installing a new unit, refitting an existing lock to a different door thickness, or updating the entry code, this official Borg accessory pack provides the exact components needed for a secure and professional finish.

Pack Contents:

- 2 x 60mm machined screws
- 2 x 50mm machined screws
- 2 x 40mm machined screws
- 1 x Hexagon wrench (for changing the handing of the unit)
- 1 x Pair of tweezers (for code change purposes)
- 2 x Hexagon support posts
- 2 x Coded tumblers
- 2 x Uncoded tumblers
- 4 x Wood screws (to secure latch, strike, and keep)

Technical Specifications
