Product Description

The Borg 5000 Series Aluminium Door Latch is specifically designed for doors with a narrow stile or aluminium doors. This 28mm 'Ali' latch is ideal for retrofitting a BL5000 or BL5400 series mechanical digital lock. It is suitable for both internal and sheltered external applications on wooden, composite, aluminium, and steel doors.

This latch is fully reversible on-site, but for added convenience, it can be ordered as a dedicated left-handed or right-handed unit. It is also available with or without a comprehensive fixing kit. The fixing kit includes aluminium fixing tabs, an aluminium strike plate, spindles, and screws.

Please select your required handing or the fixing kit option from the choices below.

Technical Specifications

- **Backset:** 28mm
- **Compatibility:** Borg BL5000 and BL5400 series locks
- **Door Type:** Wooden, composite, aluminium, and steel doors
- **Suitability:** Internal and sheltered external use
- **Handing:** Reversible on-site (available in dedicated Left Hand or Right Hand variants)

Key Features

- **Narrow Stile Design:** Specifically engineered for narrow aluminium door sections.
- **Retrofit Friendly:** Ideal for upgrading or replacing latches on existing BL5000 and BL5400 installations.
- **Optional Fixing Kit:** Available with a complete kit containing aluminium fixing tabs, strike plate, spindles, and screws.
- **Versatile Application:** Suitable for use with single or pairs of doors, and compatible with electric strike systems.
