Product Description

The Borg 5000 series round bar handle is a genuine replacement lever handle designed specifically for the Borg BL5000 series of mechanical digital locks. Ideal for replacing worn, damaged, or weathered handles, this robust accessory ensures your digital keypad lock continues to operate smoothly and securely.

This replacement round bar handle is available in a choice of four high-quality finishes to match your existing door hardware. Please select your preferred finish option from the selection below.

Technical Specifications

- **Compatibility:** Designed for Borg BL5000 series digital locks
- **Available Finishes:** Polished Brass, Polished Chrome, Satin Chrome, and Satin Stainless (please choose from the options below)
- **Manufacturer References:** S548A (Satin Chrome), S548B (Satin Stainless), S548C (Polished Brass), S548D (Polished Chrome)

Key Features

- **Genuine Borg Part:** Manufactured to original factory standards for perfect fitment and reliable operation.

- **Robust Design:** Built to withstand the demands of medium to heavy-duty commercial and residential environments.
- **Aesthetic Choice:** Available in multiple finishes to seamlessly blend with your existing door ironmongery.
- **Cost-Effective Maintenance:** Easily replaces a worn or damaged handle without needing to replace the entire digital lock unit.
