Product type	Borg Accessories

Product Description

The Borg 5000 Series Spindles are genuine replacement 8mm square spindles designed specifically for use with Borg BL5000 and BL5400 series mechanical digital locks. Ideal for maintenance, repairs, or fresh installations, these high-quality spindles ensure the reliable and smooth operation of your digital keypad handle.

These spindles are supplied in a convenient pack containing two different lengths - a short 81mm spindle and a longer 91mm spindle - allowing you to easily adapt the lock to suit different door thicknesses.

To match your specific lock configuration, these spindles are available in two distinct variants:

- **S533/BL 5001 (latch):** Tailored for use with standard tubular latch setups.
- **S533/BL 5003 (lockcase):** Designed for use with mortice lockcase setups.

Please select your required option from the choices below to ensure compatibility with your digital lock.

Technical Specifications

- **Manufacturer:** Borg Locks
