Specification Summary

Brand	Bramah
Product type	Cylinder - Euro Lock Case

Product Description

The Bramah Kaye 57mm Deadlock (Manufacturer Reference: B8588-400-U) is a premium mortice lock case designed to manually lock doors from either side using a key. Part of the renowned Bramah Kaye range, this lock case offers exceptional versatility, allowing you to mix and match most brands of cylinders and handles to suit your security and aesthetic preferences.

This dual-profile lock case is designed to accept both Euro and Oval profile cylinders, making it easy to integrate into existing master key suites or keyed-alike systems. Additionally, the lock case is pierced to accept bolt-through door furniture, such as security roses or handle plates. Please note that when using this lock with a Bramah cylinder, the Swiss Profile option must be used, whereas an Evva cylinder requires the Euro Profile or Oval option.

With its robust steel case, satin stainless steel forend, and a substantial 20mm bolt throw, the Bramah Kaye Deadlock provides reliable, long-lasting performance for both domestic and commercial applications.
