Specification Summary

Brand	Bramah
Product type	Sliders

Product Description

The Bramah NS27M Deadlock is a high-security, narrow-stile mortice lock designed for use on both timber and metal doors. It is particularly well-suited for narrow-profile metal doors, making it an ideal choice for securing retail shopfronts and commercial premises.

Constructed with a hardened case and deadbolt, this lock offers robust resistance against physical attack and tampering. The deadbolt is operated by key from either side, providing reliable security for final exit doors. It is designed as a standard deadlock for doors with a 12.5mm stop.

Equipped with Bramah's renowned 7-pin slider mechanism, the NS27M offers an impressive 500,000 key differs, ensuring excellent protection against lock picking and unauthorized key duplication. The lock is supplied boxed as keyed to differ, with options for keyed alike (KA) or master keyed (MK) suites available as a special order.

Technical Specifications

- **Manufacturer Reference:** NS27M
- **Backset:** 22mm
