Is Cylinder

Product Description

The CISA Astral Euro Double Cylinder is a high-quality, reliable locking solution designed to offer dependable security for both residential and commercial doors. Equipped with a sophisticated 10-pin key bitting system, this double cylinder provides excellent resistance against common attack methods, including picking, drilling, and bumping.

Each cylinder is supplied with three reversible flat keys, which are easy to use and insert either way up, alongside a secure code card for controlled key duplication and a fixing screw. The robust construction features a solid brass cylinder body and plugs, ensuring smooth operation and long-lasting durability.

This cylinder is available in a wide range of overall lengths (from 60mm up to 95mm) with various offset options (A Side: 30mm to 40mm; B Side: 30mm to 55mm) to suit different door thicknesses. It is also offered in two high-quality finishes: Nickel Plated and Polished Brass. Please select your required size and finish from the options below.

Technical Specifications

- **Cylinder Profile:** Euro
- **Cylinder Type:** Double (key entry from both sides)
- **Mechanism:** 10-pin key bitting system
- **Key Differs:** 16 million
- **Body Material:** Brass body and plugs
- **Fire Tested:** Grade 0
- **Keying:** Keyed to differ (in-house key cutting and keyed alike options available)
- **Sizes Available:** Overall lengths from 60mm to 95mm (A Side: 30mm to 40mm; B Side: 30mm to 55mm)
- **Finishes Available:** Nickel Plated and Polished Brass

Key Features

- **High Security:** Built-in resistance against picking, drilling, and bumping
- **Reversible Flat Keys:** Supplied with 3 user-friendly reversible keys for smooth operation from either side
- **Code Card Included:** Comes with a dedicated code card to ensure secure and authorized key duplication
- **Durable Construction:** Solid brass body and plugs offer excellent wear resistance and longevity
- **Versatile Configurations:** Available in multiple sizes and finishes to perfectly match your door hardware - please select from the options below

Brand Profile

Cisa

CISA (Costruzioni Italiane Serrature e Affini) is an iconic **Italian lock and access-control brand**, founded in **1926** by **Luigi Bucci**. It built its reputation early by **patenting the first electrically controlled lock** the same year it was founded—basically kicking the door open (politely, with a latch) on modern electromechanical access control.

Today CISA positions itself as "**CISA Italy**," with **design and engineering made in Italy**, and a product ecosystem that spans both **mechanical and electronic security** for **residential, public, and commercial buildings**.

Ownership / group: CISA is a **strategic brand of Allegion** and has been part of the Allegion group **since 2013** (around the time Allegion became a standalone listed company).

What they're known for (in the real world, on real doors):

- **Mechanical locks and cylinders**, including solutions for master keying systems (CISA talks a lot about cylinders/keys and master-key systems production).
- **Electric / electromechanical locks** (heritage category for them), including locks designed to pair with **panic hardware** or remote electric opening in access-control setups.
- **Exit / panic devices** (their ranges are explicitly positioned around installability and reliability, and they're tracking new EU regulatory changes in their comms).
