Product Description

After extensive research with our educational customers we have developed a padlock which saves money and time!

Ideal for schools, colleges and commercial users who have large banks of lockers.

Each padlock can be set to any code by the end user, the master key will open them all - also when the master key is inserted you simply roll the tumblers and they stop on the code it has been set to.

This means NO WASTE! They can all be re-used and re-set to a new code.

NO MORE BOLT CROPPING PADLOCKS!

NO MORE LOST CODES!

REPLACEMENTS NOT REQUIRED!

Shackle diameter is 4.5mm, shackle horizontal air gap 15mm, shackle vertical air gap 23mm

Master keys are only available to registered customers who have bought 100+ units.

School / Commercial users only, minimum order is 100 padlocks
