Specification Summary

Brand	Defender
Product type	Discus

Product Description

The Defender by Squire Combination Disc Padlock (DFDC70 COMBI) is a heavy-duty security solution designed for both domestic and commercial outdoor applications, such as securing gates, sheds, and garages. Featuring a robust stainless steel body, this padlock offers excellent corrosion resistance and durability against harsh weather conditions.

Its classic discus design minimises shackle exposure, providing enhanced resistance against attack from bolt croppers and saws. For convenient keyless security, it features a 4-wheel combination mechanism that allows you to set and reset your own code from up to 10,000 possible combinations. Backed by a 5-year manufacturer's guarantee, this 70mm padlock delivers reliable, long-lasting protection without the hassle of carrying keys.

Technical Specifications

- **Brand:** Defender (by Squire)
- **Manufacturer Reference:** DFDC70 COMBI
