Product type	Nut Fix

Product Description

The DOM 203994 19.5mm Nut Fix 2C Series Camlock is a high-quality pin tumbler cam lock designed to secure lockers, cabinets, and various enclosures. Featuring a conventional pin mechanism, this lock provides reliable security with 200 key combinations (keyed to differ).

Constructed with a bright, durable nickel-plated finish and a round face, it offers a clean and professional look suitable for both commercial and domestic environments. The lock operates with a smooth 90° clockwise movement and is secured in place using a robust nut fixing method, designed to fit a standard 10600 hole profile.

Each camlock is supplied as a single pack complete with two keys, making it ready for immediate installation.

Technical Specifications
