Product type	Nut Fix

Product Description

The DOM 22501B1 is a high-quality, master-keyed pin tumbler camlock designed for secure and reliable cabinet, locker, and enclosure locking. Featuring a robust 19.5mm body length and a 25mm round face, this camlock is designed for easy nut fixing, providing a stable and secure mount.

This lock operates under the DOM 22 Master Key Series, offering up to 200 key combinations (differs) for enhanced security and flexible key management. It features a conventional pin tumbler mechanism and is supplied with two keys. The lock operates with a 90° clockwise movement to unlock, ensuring smooth and straightforward operation. Finished in a bright, nickel-plated finish, it offers both durability and a clean, professional appearance suitable for a variety of commercial and domestic applications.
