Specification Summary

Brand	Dortrend
Product type	Indicator

Product Description

The Dortrend 101FM1/2PA is a premium toilet indicator and turn set, ideal for both commercial and residential bathroom doors. Finished in high-quality satin anodised aluminium, this set provides a modern, clean look that coordinates perfectly with contemporary door hardware.

Designed with user privacy in mind, it features a clear indicator window to show occupancy status at a glance. The concealed fixing design ensures a neat, professional installation by hiding all mounting screws behind the rose. Durable and easy to operate, this indicator set is built to withstand the demands of high-traffic environments while maintaining its sleek appearance.

Technical Specifications

- **Brand:** Dortrend

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
