Specification Summary

Brand	Dortrend
Product type	Lever Furniture

Product Description

The Dortrend 19RCR is a high-quality return-to-door lever handle set designed for both commercial and modern residential environments. Manufactured by Dortrend, a trusted British specialist in door hardware, this lever furniture combines robust functionality with a clean, contemporary aesthetic.

Featuring a 19mm round bar design, the lever curves back towards the door face, which helps prevent clothing from catching and improves overall safety. The handles are mounted on a slim, unsprung 5mm thick round rose, providing a low-profile appearance on the door. Finished in a durable satin anodised aluminium, it offers excellent

wear resistance and a modern look. Additionally, the concealed fixings ensure a neat, professional installation with no visible screw heads.

Technical Specifications

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
