Specification Summary

Brand	Dortrend
Product type	Lever Furniture

Product Description

The Dortrend 20RC is a high-quality range of plate-mounted door handles featuring a classic 20mm round bar return-to-door design. Ideal for both commercial and residential settings, these handles combine robust performance with a clean, modern aesthetic.

Crafted with a durable anodised aluminium finish, the 20RC range is designed to withstand regular use while maintaining its sleek appearance. The handles feature concealed fixings to ensure a neat, professional installation with no visible screws.

This versatile range is available in multiple configurations, including Euro Cylinder and Oval Cylinder mechanisms, to suit your specific locking requirements. Please choose your preferred mechanism and manufacturer reference from the options below.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
