Product Description

The Dortrend 408 Letter Plate is a high-quality, back-fixing letter plate designed to provide a clean and professional finish to your front door or gate. Manufactured from durable aluminium, it offers excellent natural resistance to rust and corrosion, making it well-suited for external domestic and commercial applications in the UK.

Featuring a sleek satin anodised aluminium (SAA) finish, it blends seamlessly with both modern and traditional door furniture. The back-fix installation method ensures there are no visible screw heads on the outside of the door, offering a neat, flush appearance and enhanced security against external tampering.

This letter plate is available in multiple lengths (25.4cm and 30.5cm) and weights (170g and 190g). Please select your preferred size and specification from the options below.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
