Product Description

The Dortrend 4212 Shirley is a high-quality range of plate-mounted lever lock furniture, designed to offer both durability and a clean, modern aesthetic. Manufactured from anodised aluminium, these stylish door handles feature distinctive black ends and are designed for face fixing, making them an excellent choice for a wide variety of commercial and residential applications.

Tested to BS EN 1906:2002 (Clause 5.8 & 7.3.7) with a Grade 2 durability rating, this robust lever furniture is built to withstand regular use. The Shirley range is highly versatile, offering multiple configurations to suit your specific door requirements. Depending on your setup, you can select from various mechanisms, including Bathroom, Euro Cylinder, Latch Only, Oval Cylinder, and UK Mortice options. Handing options are also available, with Left Hand, Right Hand, and Non-Handed variants to choose from.

Please select your required mechanism, handing, and manufacturer reference from the options below to find the perfect fit for your door.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
