Specification Summary

Brand	Dortrend
Product type	Cylinder Pull

Product Description

The Dortrend 451 Cylinder Pull is a practical and durable door accessory designed to assist with pulling doors closed. It is particularly useful on doors fitted with rim or mortice night latches where there is no convenient lever handle or door knob.

Manufactured from high-quality satin anodised aluminium (SAA), this cylinder pull offers a clean, modern aesthetic that blends seamlessly with contemporary door hardware. It is designed to fit neatly around standard rim profile cylinders, providing a secure grip and protecting the surrounding door surface from wear and tear. Lightweight yet robust, the Dortrend 451 is an excellent, cost-effective addition to any residential or commercial door setup.

Technical Specifications

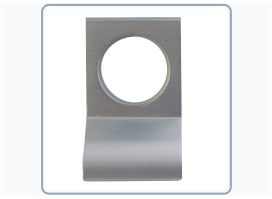

- **Brand:** Dortrend
- **Manufacturer Reference:** 451
- **Finish:** Satin Anodised Aluminium (SAA)
- **Length:** 70mm
- **Width:** 42mm

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
