Specification Summary

Brand	Dortrend
Product type	Hook

Product Description

The Dortrend 600SA is a high-quality hat and coat hook designed for both residential and commercial environments. Manufactured from durable anodised aluminium, this hook features a sleek, modern finish that complements a wide range of interior decors.

A key feature of the 600SA is its integrated buffer cap, which helps protect walls and doors from impact damage when the hook is in use. It is designed for straightforward surface mounting, featuring pre-drilled countersunk holes on the front face for a neat, flush installation. With a length of 89mm, it offers a practical and reliable solution for organising garments, hats, and bags in entryways, cloakrooms, offices, and bathrooms.

Technical Specifications

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
