Product Description

The Dortrend 683 Handrail Bracket is a traditional-style bracket designed to provide secure and reliable support for handrails. Manufactured to a high standard, it features a durable Satin Anodised Aluminium (SAA) finish, offering a clean, professional aesthetic alongside excellent resistance to wear and corrosion.

This sturdy bracket is ideal for both domestic and commercial installations, ensuring handrails are firmly anchored to the wall for user safety. With a compact 64mm length, it delivers a neat, unobtrusive fixing solution. Each bracket is supplied individually bagged to ensure it arrives in perfect condition.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
