Specification Summary

Brand	Dortrend
Product type	Cylinder Pull

Product Description

The Dortrend 8558 Cylinder Pull is a practical and stylish addition to any door fitted with a euro cylinder. Manufactured from high-quality aluminium with a satin anodised finish (SAA), this cylinder pull offers a clean, modern aesthetic while providing a comfortable grip to assist with pulling the door closed.

Designed to fit neatly around standard euro profile cylinders, it helps protect the cylinder face and surrounding door area from wear, tear, and key scratches. Its lightweight yet durable construction makes it an ideal choice for both residential and commercial applications where reliable, everyday performance is required.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
