Specification Summary

Brand	Dortrend
Product type	Door Stop

Product Description

The Dortrend DS13 Shield Floor Door Stop is a high-quality, floor-mounted door stop designed to protect your doors, walls, and surrounding furniture from impact damage. By stopping the door at a designated point in its opening cycle, this shielded door stop prevents costly wear and tear in both domestic and commercial environments.

Crafted from durable aluminium with a sleek satin anodised finish, the DS13 offers a modern aesthetic that blends seamlessly with contemporary interior hardware. Its compact 38mm length ensures a low-profile, unobtrusive installation on the floor, while its robust construction provides reliable, long-lasting performance.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
