Specification Summary

Brand	Dortrend
Product type	Door Stop

Product Description

The Dortrend DS19 is a projecting wall-mounted door stop designed to protect your walls, skirting boards, and door handles from damage caused by swinging doors. Manufactured from durable aluminium with a sleek satin anodised finish, this door stop offers a clean, modern aesthetic that blends seamlessly into both commercial and residential environments.

With a length of 76mm, it provides ample projection to stop doors before they make contact with the wall. It features a straightforward face-fixing design, making installation quick and simple on a variety of wall surfaces.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
