Specification Summary

Brand	Dortrend
Product type	Escutcheon & Rose

Product Description

The Dortrend SECK1AS is a high-quality, 50mm x 5mm concealed fix escutcheon designed to provide a clean, professional finish to doors fitted with standard UK mortice locks. Manufactured by Dortrend, this escutcheon is crafted from lightweight yet durable aluminium with a sleek satin anodised aluminium (SAA) finish.

Featuring a concealed fixing design, the SECK1AS hides unsightly mounting screws, ensuring a seamless and modern aesthetic on both residential and commercial doors. Its 50mm diameter and slim 5mm profile make it an unobtrusive yet stylish addition to any door furniture setup. The standard UK keyhole profile is specifically designed to suit traditional mortice locks, offering a neat cover that protects the door face while maintaining easy key access.

Whether you are upgrading existing door hardware or completing a new installation, this Dortrend escutcheon offers a perfect blend of functionality, durability, and minimalist design.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
