Product Description

The Dortrend Concealed Fix Escutcheon is a high-quality door accessory designed to provide a clean and professional finish to your door furniture. Manufactured with a premium satin anodised aluminium finish, this escutcheon offers a sleek, modern appearance that complements contemporary interiors.

Featuring a smart concealed fixing design, the mounting screws are neatly hidden beneath the clip-on outer rose, ensuring a seamless and tidy installation.

This escutcheon is available in multiple configurations to suit different lock profiles. Depending on your security setup, you can choose between options designed for Euro Cylinder or Oval Cylinder mechanisms. Please select your preferred mechanism, barcode, and manufacturer reference from the options below to ensure the perfect fit for your door.

Brand Profile

Dortrend

Dortrend is a UK manufacturer of **architectural door hardware**, best known for premium **door handles** and specialist **anti-ligature** fittings used heavily in **healthcare and mental health environments**. They're based in **Worcester** and say they've been manufacturing high-quality door handles for **50+ years**, supplying both UK and international projects (with a visible footprint across hospitals and MHUs).

What makes Dortrend stand out is the "specialist + bespoke" combo:

- A dedicated **Anti-Ligature Range** designed to reduce self-harm risk in high-dependency settings (handles, hooks, escutcheons, etc.).
- A **bespoke service** for custom hardware when off-the-shelf products won't fit the door design, compliance requirement, or aesthetic brief.
- Sector-driven thinking around **healthcare**, including product angles like hygiene-focused finishes and safe-design details.
