Specification Summary

Brand	Duracell
Product type	Battery

Product Description

The Duracell CR2 3V Lithium Battery is a high-performance power source designed to deliver reliable, long-lasting energy to high-drain devices. It is commonly used in security systems, smart home locks, wireless alarm sensors, digital cameras, and medical equipment, ensuring your essential devices remain powered and operational when you need them most.

Engineered with high-purity lithium, this single-pack CR2 battery offers excellent energy density and consistent voltage output. It is designed to perform reliably across a wide range of temperatures, making it suitable for both indoor and outdoor security applications. With a long shelf life, it retains its power for up to 10 years in storage, allowing you to keep spares on hand with complete confidence.

Technical Specifications

- **Brand:** Duracell
- **Manufacturer Reference:** CR2
- **Chemistry:** Lithium Manganese Dioxide
- **Output Voltage:** 3V
- **Output Current:** 800mA

- **Pack Quantity:** 1
- **Packaging:** Visi (Blister Packed)
- **Weight:** 20g
- **Barcode:** 5000394020306

Key Features

- **Reliable Security Power:** Ideal for powering smart home locks, wireless security sensors, motion detectors, and smoke alarms.
- **Long Shelf Life:** Guaranteed to retain power for up to 10 years in storage, making it perfect for keeping as a reliable spare.
- **High-Purity Lithium:** Engineered to provide consistent, high-density energy output for power-hungry devices.
- **Temperature Resilient:** Designed to operate reliably across a wide range of temperature extremes.
- **Convenient Blister Pack:** Supplied in a secure, single-unit blister pack to ensure it remains protected until ready for use.
