Specification Summary

Brand	English Chain
Product type	Welded Steel

Product Description

The English Chain Hot Galvanised Welded Steel Chain is a robust, mild steel straight link chain designed for maximum durability and strength. It is hot-dip galvanised to provide exceptional corrosion resistance, making it ideal for outdoor, marine, industrial, agricultural, and general-purpose applications. A black finish option is also available for specific requirements.

This high-quality welded steel chain is available in a variety of link diameters, lengths, and weights to suit your specific project needs. Please select your preferred options from the drop-down menus below.

Technical Specifications

- **Brand:** English Chain
- **Material:** Mild steel straight link
- **Finish:** Galvanised or Black (please choose from the options below)
- **Chain Length:** 10m, 15m, 25m, or 30m (please choose from the options below)
- **Link Diameter:** 4mm, 5mm, 6mm, or 6.5mm (please choose from the options below)
- **Inside Link Length:** 21mm, 26mm, 28mm, 33mm, or 36mm (please choose from the options below)
- **Inside Link Width:** 9mm, 11mm, 13mm, or 14mm (please choose from the options below)
- **Weight:** 5kg, 6kg, 6.6kg, 8kg, 8.8kg, 11.9kg, or 12.4kg (please choose from the options below)
- **Packaging:** Boxed

Key Features

- **Maximum Corrosion Resistance:** Hot-dip galvanised finish provides excellent protection against rust and weathering, making it ideal for outdoor and marine environments
- **High-Quality Construction:** Robust welded mild steel straight link design ensures reliable strength and durability
- **Versatile Applications:** Suitable for a wide range of general-purpose, industrial, agricultural, and security uses
- **Multiple Options:** Available in a choice of finishes, lengths, and link sizes to match your specific requirements

Brand Profile

English Chain

English Chain (English Chain Company Limited) is a long-established UK specialist supplier of **chain, chain assemblies, and accessories**, with a strong trade presence in **security chains, cables and locks**, plus complementary ironmongery and fittings. The company traces its roots back to **1923** and positions itself as “the UK specialist” in this niche, built on decades of manufacturing, exporting, and distribution know-how.

In the product world, English Chain sits in that sweet spot of **practical, spec-by-thickness hardware**—from lighter decorative and general-purpose chain through to serious **hardened security chain + padlock sets** for bikes, motorbikes, caravans, and property anchoring. Their ranges include named security lines such as **Superquad** (heavy-duty square-link style) and other medium/high-security chain options, often offered sleeved to protect finishes and make attacks more awkward.

Operationally, English Chain is based in **Godalming, Surrey** (their “Chain House” site is used across trade/contact listings), and they also run **English Chain Direct**, an online arm described as part of English Chain Co. Ltd, selling a wide spread of chain types (steel, stainless, plastic, welded, etc.) alongside security products and accessories.
