Specification Summary

Brand	English Chain
Product type	Welded Steel

Product Description

The English Chain Zinc Plated Welded Steel Chain is a high-quality, mild steel straight link chain designed for a wide range of applications. Manufactured to UK and international standards, this robust chain features side-welded links for enhanced strength and durability. It is finished with a bright zinc plating, providing excellent corrosion resistance, making it suitable for general-purpose, engineering, industrial, agricultural, and marine environments.

This versatile welded steel chain is available in multiple configurations to suit your specific requirements. With options ranging in chain length, link diameter, and inside link dimensions, please select your required specifications from the options below.

Technical Specifications

- **Brand:** English Chain
- **Material:** Mild Steel
- **Finish:** Bright Zinc Plated
- **Chain Length:** 15m, 25m, or 30m (please choose from the options below)
- **Link Diameter:** 3mm, 5mm, or 6.5mm (please choose from the options below)
- **Inside Link Length:** 21mm, 28mm, or 36mm (please choose from the options below)
- **Inside Link Width:** 8mm, 11mm, or 14mm (please choose from the options below)
- **Weight:** 5.1kg to 12kg (please choose from the options below)
- **Pack Quantity:** 1
- **Packaging:** Boxed

Key Features

- **Side-Welded Links:** Links are side welded for extra strength and reliability under load.
- **Corrosion Resistant:** Bright zinc plating protects the steel against rust and environmental wear.
- **Versatile Applications:** Ideal for general purpose, engineering, industrial, agricultural, and marine use.
- **Quality Tested:** Manufactured and tested to meet rigorous UK and international standards.
- **Multiple Options:** Available in a range of lengths, diameters, and weights to fit your specific project needs.

Brand Profile

English Chain

English Chain (English Chain Company Limited) is a long-established UK specialist supplier of **chain, chain assemblies, and accessories**, with a strong trade presence in **security chains, cables and locks**, plus complementary ironmongery and fittings. The company traces its roots back to **1923** and positions itself as “the UK specialist” in this niche, built on decades of manufacturing, exporting, and distribution know-how.

In the product world, English Chain sits in that sweet spot of **practical, spec-by-thickness hardware**—from lighter decorative and general-purpose chain through to serious **hardened security chain + padlock sets** for bikes, motorbikes, caravans, and property anchoring. Their ranges include named security lines such as **Superquad** (heavy-duty square-link style) and other medium/high-security chain options, often offered sleeved to protect finishes and make attacks more awkward.

Operationally, English Chain is based in **Godalming, Surrey** (their “Chain House” site is used across trade/contact listings), and they also run **English Chain Direct**, an online arm described as part of English Chain Co. Ltd, selling a wide spread of chain types (steel, stainless, plastic, welded, etc.) alongside security products and accessories.
