Is Cylinder

Product Description

The EVVA A5 DZ Euro Double Cylinder is a reliable, high-quality 5-pin locking cylinder designed for standard Euro profile doors. Part of the robust EVVA A5 system, this double cylinder offers key operation from both sides, making it an ideal choice for securing residential and commercial properties.

This cylinder features an unrestricted key profile, allowing for straightforward key duplication without the need for specialized security cards. It is supplied as Keyed to Differ (KD) and comes with three keys as standard. For added convenience, we offer in-house key cutting and master keying services to suit your specific security requirements.

The EVVA A5 double cylinder is available in a wide range of sizes, with overall body lengths ranging from 54mm to 122mm (with individual side measurements from 27mm to 61mm). It is also available in two high-quality finishes: Nickel Plated and Polished Brass. Please select your preferred size and finish from the options below to find the perfect match for your door.

Technical Specifications

- **Brand:** EVVA
- **Cylinder Profile:** Euro

- **Cylinder Type:** Double Euro (DZ)
- **Cylinder System:** EVVA A5
- **Mechanism:** 5-Pin
- **Keying:** Keyed to Differ (KD)
- **Keys Supplied:** 3
- **Finishes Available:** Nickel Plated or Polished Brass (please choose from the options below)
- **Sizes Available:** Overall lengths from 54mm to 122mm (A/B side measurements from 27mm to 61mm, please choose from the options below)
- **Fire Tested:** Grade 0

Key Features

- **Double Cylinder Design:** Allows convenient key operation from both the internal and external sides of the door.
- **Robust 5-Pin Mechanism:** Provides reliable everyday security for residential and commercial applications.
- **Unrestricted Key Profile:** Enables straightforward key duplication without requiring restricted security cards.
- **In-House Services:** Supported by our in-house key cutting and master keying capabilities.
- **Versatile Options:** Available in multiple sizes and finishes to perfectly match your existing door hardware (please select below).

Brand Profile

Evva

EVVA is an Austrian, **family-owned** security manufacturer based in **Vienna**, specialising in high-end **mechanical and electronic locking systems** for everything from homes to large, complex master-keyed organisations. The company was **founded in Vienna in 1919**, and it still runs **research, development, and production** from its Vienna headquarters, exporting globally.

In the trade/spec world, EVVA's reputation is built on **serious key control** and **master key system engineering**—locks designed not just to resist attack, but to keep access hierarchies manageable at scale (offices, hospitals, residential complexes, universities, etc.).

A couple of EVVA's standout mechanical platforms get referenced constantly:

- **ICS (Inner Code System)** – a reversible key system aimed at **highly complex master key structures**, with EVVA citing long patent protection (into the 2030s, depending on jurisdiction).
- **MCS (Magnetic Code System)** – EVVA positions this as a top-tier system for sophisticated master keying, with a strong anti-copying story (including resistance to modern replication methods).

They also explicitly brand themselves around innovation: EVVA talks about holding **200+ patents** and frames its history as "start-up energy since 1919" (which is an absolutely deranged sentence for a century-old lock company, but I respect the audacity).
