Specification Summary

Brand	Fullex
Product type	Lever Furniture

Product Description

The Fullex Nanocoast Plate Mounted Lever Handle Furniture is a high-quality, corrosion-resistant door handle set designed for front doors. Crafted from premium grade 316 stainless steel, this durable lever furniture is specifically engineered to withstand harsh coastal environments and extreme weather conditions. It has been salt spray tested to ASTM B117 for an impressive 2,000 hours and comes with a lifetime coating guarantee from the manufacturer,

ensuring long-lasting performance and aesthetic appeal.

Featuring a comfortable tubular lever grip and a euro profile cut-out, these handles are designed to work seamlessly in conjunction with Fullex Gemini, SL16, and Type A Case Locks. They also offer up to 1 hour of fire resistance, making them a safe and versatile choice for both residential and commercial applications.

These stylish lever handles are available in a variety of finishes, including Black, Gold, Polished Silver, Satin Stainless Steel, and White, to perfectly complement your existing door hardware. Please choose your preferred finish and manufacturer reference from the options below.

Technical Specifications

- **Brand:** Fullex
