Specification Summary

Brand	Gridlock
Product type	Butt

Product Description

The Gridlock Fixed Pin Wide Butt Hinges are designed to provide robust security and reliable performance for your doors. These high-quality butt hinges feature an integrated 'dog bolt' which provides vital additional protection, preventing the door from being forced off its hinges even when locked shut.

Manufactured to meet demanding standards, these hinges are CE Marked to Grade 7 (EN1935), making them suitable for a variety of domestic and commercial applications. They are supplied in a convenient pack of three, providing everything you need for a standard door installation.

These hinges are available in a choice of finishes, including White and Zinc Plated, as well as a choice of corner profiles with both Radius and Square forends available. Please select your preferred finish, forend style, and manufacturer reference from the options below.

Technical Specifications
