Specification Summary

Brand	Jedo
Product type	Door Stop

Product Description

The Jedo Foot Operated Door Holder offers a highly practical and convenient solution for holding doors open in both residential and commercial settings. Designed for hands-free convenience, this durable door holder is operated entirely by foot - simply press down to secure the door in place, and tap the side release catch to disengage.

Equipped with a thick, non-slip rubber foot, it provides excellent grip on various floor surfaces while protecting your flooring from damage. It is easy to fit and comes supplied with all necessary fixing screws for a straightforward installation.

This modern door holder is available in multiple high-quality finishes, including Polished Brass and Satin Chrome. Please select your preferred finish, manufacturer reference, and barcode from the options below to suit your interior decor.

Please note: This product is not suitable for use on fire doors.
