Product Description

The Kenrick 300 / 301 Plate Mounted Lever Furniture is a high-quality, durable door handle set designed for reliable performance. Manufactured from robust die-cast zinc, these handles are built to withstand daily use while maintaining their sleek appearance.

Supplied as a complete pair, this lever furniture comes with a 7.6mm spindle and all necessary fixing screws for a straightforward installation. Depending on your door setup, you can choose between two distinct models: the Kenrick 300, which features a 155mm plate length designed for UK Mortice mechanisms, or the Kenrick 301, which features an 82mm plate length designed for Latch Only applications.

Please select your preferred manufacturer reference, mechanism, plate length, weight, and barcode from the options below to find the perfect fit for your door.
