Brand	KeySecure
Product type	Key Cabinet

Product Description

The KeySecure KS Key Cabinet is a highly versatile and secure solution for organising and protecting keys in commercial, industrial, or domestic environments. Built with a robust steel construction and a durable powder-coated finish, this cabinet is designed to withstand daily use while keeping your keys neatly arranged and secure.

To accommodate different storage requirements, this cabinet is available in a range of sizes. Please choose from the options below to find the perfect fit for your needs, with capacities ranging from 20 to 150 key hooks, heights from 250mm to 550mm, and depths of either 80mm or 140mm.

Each cabinet features adjustable, colour-coded clip-in hook bars that can be easily repositioned or removed to accommodate larger keys or bunches. For straightforward key management, it is supplied complete with colour-coded numbered key tags that correspond to the hook bars. Security is provided by a strong cylinder cam lock, supplied with two keys as standard.
