Specification Summary

Brand	Lowe & Fletcher
Product type	Nut Fix

Product Description

The Lowe & Fletcher 1340, 1341 & 1342 Nut Fix Camlock is a highly versatile and reliable locking solution designed for a wide range of applications, including cupboards, cabinets, lockers, and office furniture. Manufactured by the trusted security brand Lowe & Fletcher, this camlock features a robust design with a classic round face and a bright chrome-plated finish.

This nut-fixing camlock is available in multiple body lengths ranging from 22mm to 32mm, with corresponding weights between 60g and 80g. Depending on your installation requirements, you can select the ideal size and manufacturer reference (1340, 1341, or 1342) from the options below.

Operating with a 180° anti-clockwise movement, the lock utilizes the reliable Lowe & Fletcher 92 Key Series. It offers up to 200 lock combinations (differs) to ensure dependable security for personal storage. Each lock is supplied with two keys as standard and is keyed to differ, making it an excellent choice for multi-user environments like offices, schools, and leisure facilities.

Brand Profile

Lowe & Fletcher

Lowe & Fletcher is a long-established British manufacturer of **locking systems for industry**, best known for high-volume, application-specific locks like **camlocks, quarter-turns, compression locks, and electronic/keypad solutions** used on things like **enclosures, cabinets, lockers, post/parcel units, and industrial equipment**. They're a **sixth-generation, family-owned** business with roots going back to **1889**, when **John Lowe and Thomas Fletcher** founded a lockmaking firm in **Willenhall** in the Black Country—one of the historic heartlands of UK lockmaking.

Today, Lowe & Fletcher forms part of the **Lowe & Fletcher Group**, which describes two main divisions: **Locking Systems** (industrial/OEM locks) and **Fire Safety** (smoke and fire containment systems).

Operationally, their Locking Systems division includes UK operations based around the West Midlands (e.g., **Wednesbury, WS10 7DE**) and they state they have multiple operational sites across Europe and the US to serve local and specialist markets.

On the product side, their camlock range alone spans **mini camlocks, standard camlocks, slamlocks, and IP-rated water-resistant variants** (with application-driven options like tool/coin operation and different cam geometries).
