Product Description

Laidlaw Ironmongery has supplied numerous master key systems across the UK on several different key profiles. If you are having difficulty locating a supplier for your existing Laidlaw suite, Lock & Key can help. As authorised master key agents for both Tigris and Schlage, we can supply replacement and additional keys for most Laidlaw master key systems.

We support a range of Laidlaw key profiles, including:

- **Schlage Primus S & SX:** Typically featuring suite references like 1N234.

- **Tigris:** Typically featuring suite references like TPT123.

How to Order

To ensure the security of your master key system, we require verification before cutting or sourcing these keys:

1. **Enter your key code** in the box provided.
2. **Select the quantity** of keys you require.
3. **Email us a scanned, signed letter** authorising Lock & Key to supply master keys for your specific suite number.

Please note that these high-security keys are not available for next-day delivery. Because they require authorization and, in some cases, must be externally sourced directly from the manufacturer, please allow a lead time of 3 to 5 working days for dispatch.

Technical Specifications

- **Compatible Brands:** Schlage, Tigris, Laidlaw
- **Supported Key Profiles:** Schlage Primus S, Schlage Primus SX, Tigris
- **Common Suite References:** 1N234 (Schlage), TPT123 (Tigris)
- **Verification Required:** Signed authorisation letter and key code
- **Estimated Sourcing Lead Time:** 3 to 5 working days

Key Features

- **Authorised Agent:** Supplied by an official Tigris and Schlage master key agent
- **Secure Sourcing:** Strict authorisation checks protect the security of your master key system
- **Genuine Replacements:** High-quality keys cut to code or sourced directly from the manufacturer
- **UK-Wide Support:** Ideal solution for managing established Laidlaw suites across the UK
