Specification Summary

Brand	Lathams Steel Doors
Product type	Bullet

Product Description

The Latham's Grade 304 Stainless Steel Bullet Hinge is a super-strong, weld-on hinge designed for a wide variety of fabrication and gate projects. Manufactured from premium grade 304 stainless steel, these hinges offer exceptional durability and rust resistance, making them ideal for both indoor and outdoor applications. Each hinge is supplied complete with a high-quality stainless steel pin and washer to ensure smooth, reliable operation.

These versatile bullet hinges are available in multiple sizes to suit different project requirements. The 60mm option is perfect for smaller projects, the 80mm is ideal for small-to-medium applications, the 100mm works best for medium-to-large projects, and the heavy-duty 150mm hinge is designed for demanding, heavy-load installations.

With lengths ranging from 60mm to 15cm (150mm), diameters from 10mm to 20mm, and weights from 36g to 389g, there is a configuration to match your specific needs. Please select your preferred size, diameter, and weight from the options below.

Technical Specifications

- **Material:** Grade 304 Stainless Steel
- **Finish:** Stainless Steel

- **Length:** 60mm to 15cm (please choose from the options below)
- **Diameter:** 10mm to 20mm (please choose from the options below)
- **Weight:** 36g to 389g (please choose from the options below)
- **Manufacturer Reference:** FSS-060 to FSS-0150 (please choose from the options below)
- **Pack Quantity:** 1

Key Features

- **High-Grade Stainless Steel:** Constructed from Grade 304 stainless steel for excellent strength and corrosion resistance.
- **Complete Set:** Supplied complete with a stainless steel pin and washer for immediate installation.
- **Versatile Applications:** Range of sizes makes these hinges suitable for everything from small domestic projects to heavy-duty industrial fabrications.
- **Smooth Operation:** Designed to deliver reliable, low-friction movement.

Brand Profile

Lathams Steel Doors

Latham’s Steel Doors (trading as **Latham’s Steel Security Doorsets**) is a **family-owned UK supplier of steel security and fire-rated doors**, known for keeping a **large stock range** ready for fast dispatch and for offering **customisable steel personnel doors** for residential, commercial, and industrial use. The business is based in **Oldbury, West Midlands**, and was **established in 2011.**

They position themselves as the **UK’s leading supplier of steel security doors** and emphasise being able to supply **security-rated** and **fire-rated steel doors** *from stock*, with options like different colours, glazing, louvres and access devices.

On the product identity side, Latham’s is closely associated with steel “site/industrial” door setups and their branded **HOOPLY™ 19-point locking system** on key door lines (plus stocked fire exit doors often supplied pre-fitted with recognised panic/exit hardware).

They’ve also been publicly listed as joining/participating in the **Secured by Design** ecosystem for certified security-rated doors (useful if you’re writing spec-facing copy).
