Specification Summary

Brand	LCN
Product type	Overhead

Product Description

The LCN 4111 Smoothee is a heavy-duty overhead door closer designed for high-traffic, demanding environments. Renowned for its exceptional reliability and robust performance, this surface-mounted closer is ideal for both internal and external fire doors. It is fully tested to BS EN 1154 and BS EN 1634 standards, offering up to FD120 (2 hours) fire rating for timber doors and FD60 (1 hour) for steel doors, and is CE marked for complete peace of mind.

This heavy-duty closer is supplied boxed with all necessary fixings and features a durable powder-coated silver finish. Depending on your installation requirements, this door closer is available in Left Handed (Push) or Right Handed (Pull) options, with maximum door widths of 1067mm or 1372mm. Please choose your required configuration from the options below.
