Brand	LCN
Product type	Overhead

Product Description

The LCN 4040XP Heavy Duty Universal Door Closer is an exceptionally durable and reliable overhead door control designed for high-traffic and demanding commercial environments. Engineered to withstand heavy use, this closer is an ideal choice for both internal and external doors, providing robust performance and long-term reliability.

This universal closer is non-handed, allowing for flexible mounting on a variety of door configurations. It is fully certified for use on fire and smoke barrier doors, having been rigorously tested to BS EN 1154 and BS EN 1634 standards. It carries a CE mark and is rated for FD120 (2-hour) timber applications and FD60 (1-hour) steel applications, ensuring outstanding safety and compliance. Supplied boxed with all required fixings, the LCN 4040XP is ready for straightforward installation.
