Specification Summary

Brand	Legge
Product type	Accessory

Product Description

The Legge B21 Rebate Set is designed to enable the seamless installation of Legge mortice locks and latches into rebated double doors. This high-quality accessory ensures a secure, flush fit on double doors with a 13mm (12.5mm) rebate, preventing the doors from warping over time and maintaining smooth, reliable operation.

During installation, the strike plate is fixed to the slave door, while the face plate is secured to the passage door. It is fully compatible with a range of Legge tubular locks and latches, including the L3721, L3722, L3722LK, and L3724LK models.

This rebate set is available in multiple finishes, including Nickel Plated and Polished Brass. Please select your preferred finish and barcode from the options below.

Brand Profile

Legge

Legge is a heritage **British lock and latch brand** with roots in **Willenhall** (the UK's traditional lockmaking hub). Allegion UK traces the brand's history back to **1881**, and Legge is still best known for dependable "everyday" **mortice locks, sashlocks, latches, nightlatches, and bathroom locks**—the kind of core door hardware that shows up everywhere from period homes to general commercial fit-outs.

Today, **Legge is part of Allegion**, sitting alongside other door-hardware brands in the group's portfolio. Allegion positions Legge as a premium, durable hardware line for **commercial and institutional** use, while in the UK it's particularly associated with **residential-style lockcases and latches** sold through trade and ironmongery channels.

On the compliance side, Legge ranges include **British Standard** options such as **BS 3621** 5-lever mortice deadlocks (often used for insurance-friendly front door security), with product pages calling out attack resistance features and UKCA/ratings where applicable.
