Brand	Legge
Product type	5 Lever BS04

Product Description

The Legge New Style N5642 & N5762 BS 5 Lever Sashlock is a high-security mortice lock designed to meet the rigorous demands of British Standard BS EN 3621. Ideal for external timber doors, this robust sashlock provides excellent resistance against physical attack and is widely accepted by home insurance providers.

Featuring an updated design, it incorporates a 20mm single-throw deadbolt with anti-saw rollers, alongside anti-drill and anti-pick protection to deter forced entry. The lock case is pierced to accept bolt-through door furniture and is perfectly suited for use with unsprung lever handles. It also features a reversible latch bolt, allowing for easy handing on both left and right-handed doors.

This sashlock is available in multiple backset sizes, case depths, and finishes. Please choose your required size and finish from the options below.

Brand Profile

Legge

Legge is a heritage **British lock and latch brand** with roots in **Willenhall** (the UK's traditional lockmaking hub). Allegion UK traces the brand's history back to **1881**, and Legge is still best known for dependable "everyday" **mortice locks, sashlocks, latches, nightlatches, and bathroom locks**—the kind of core door hardware that shows up everywhere from period homes to general commercial fit-outs.

Today, **Legge is part of Allegion**, sitting alongside other door-hardware brands in the group's portfolio. Allegion positions Legge as a premium, durable hardware line for **commercial and institutional** use, while in the UK it's particularly associated with **residential-style lockcases and latches** sold through trade and ironmongery channels.

On the compliance side, Legge ranges include **British Standard** options such as **BS 3621** 5-lever mortice deadlocks (often used for insurance-friendly front door security), with product pages calling out attack resistance features and UKCA/ratings where applicable.
