Specification Summary

Brand	Locinox
Product type	Gate Locks

Product Description

The Locinox 3025 is a high-quality pair of anodised aluminium escutcheon plates designed specifically for use with Locinox insert gate locks. These sleek cover plates provide a clean, professional finish, neatly covering both the handle hole and the Euro cylinder cutout on your gate post.

Engineered for durability in outdoor environments, these escutcheons are constructed from corrosion-resistant anodised aluminium. They are designed to attach transversely through the gate post, ensuring a secure and robust installation. Each pack is supplied as a complete pair and includes the necessary fixing screws for a straightforward setup.

These escutcheons are available in multiple finishes, including Black and Silver, to perfectly match your gate hardware. Please select your preferred finish and manufacturer reference from the options below.

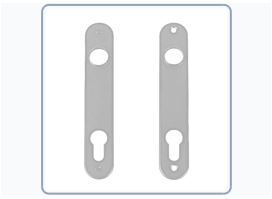

Technical Specifications

- **Height:** 180mm
- **Width:** 32mm
- **Depth:** 6mm
- **Screw Centres:** 157mm
- **Material:** Anodised Aluminium

Brand Profile

Locinox

Locinox is a Belgium-based specialist manufacturer of **gate and fence hardware**, best known in the trade for installer-friendly, high-durability components like **gate locks, hinges, gate closers, latches**, and **electro-mechanical access control** parts designed specifically for outdoor, weather-exposed gates. Their whole pitch is "make the gate hardware the least annoying part of the job," with products engineered for fast fitting, consistent adjustment, and long service life.

The company is headquartered in **Waregem, Belgium**, and traces its origins to **1988** (often described as "over 30 years" in gate tech). Locinox supplies into **70+ countries**, positioning itself as a trendsetter in the fencing/gate world rather than a generic ironmongery line.
