Specification Summary

Brand	Locinox
Product type	Gate Locks

Product Description

The Locinox B-Safe is a high-quality stainless steel safety cable designed to prevent gates up to 500kg from falling in the event of a hinge failure. This essential safety device provides peace of mind and protection for both users and property. Developed in accordance with the EN 12604 standard, it is rated to withstand forces up to 1000kg, ensuring robust and reliable performance.

Featuring a 4mm thick stainless steel wire rope encased in a 1mm protective sleeve (giving a total diameter of 5mm), the B-Safe cable is built to last. It is incredibly easy to install thanks to the patented Locinox Quick-Fix system, which ensures a firm and secure attachment directly into the gate post. When correctly fitted, it protects all gates equipped with Locinox hinges.

Technical Specifications

- **Brand:** Locinox
- **Manufacturer Reference:** 6010761
- **Cable Length:** 220mm (22cm)
- **Cable Diameter:** 5mm (4mm stainless steel core with 1mm protective sleeve)
- **Material:** Stainless Steel
- **Maximum Gate Weight:** 500kg
- **Cable Rating:** Up to 1000kg
- **Standards:** Developed in accordance with EN 12604

Brand Profile

Locinox

Locinox is a Belgium-based specialist manufacturer of **gate and fence hardware**, best known in the trade for installer-friendly, high-durability components like **gate locks, hinges, gate closers, latches**, and **electro-mechanical access control** parts designed specifically for outdoor, weather-exposed gates. Their whole pitch is "make the gate hardware the least annoying part of the job," with products engineered for fast fitting, consistent adjustment, and long service life.

The company is headquartered in **Waregem, Belgium**, and traces its origins to **1988** (often described as "over 30 years" in gate tech). Locinox supplies into **70+ countries**, positioning itself as a trendsetter in the fencing/gate world rather than a generic ironmongery line.
