Product Description

The LOCINOX Drop Bolt VSF is a robust, high-quality surface-mounted drop bolt designed specifically for swing gates. Featuring a hot-dip galvanised steel pin paired with an aluminium head block and housing, it offers exceptional durability and weather resistance for outdoor use.

This drop bolt is engineered for gate profiles of 40mm or more and provides a secure locking mechanism by self-locking between the gate wings. It features a generous 140mm throw and offers 100mm of height adjustability, allowing for precise alignment during installation.

Thanks to the patented Locinox Quick-Fix fittings, installation is fast and straightforward, making it an ideal choice for both new installations and retrofit projects. Rigorously tested to 500,000 movements, this reliable drop bolt is built to withstand heavy, long-term use and comes backed by a 3-year manufacturer's guarantee.

Brand Profile

Locinox

Locinox is a Belgium-based specialist manufacturer of **gate and fence hardware**, best known in the trade for installer-friendly, high-durability components like **gate locks, hinges, gate closers, latches**, and **electro-mechanical access control** parts designed specifically for outdoor, weather-exposed gates. Their whole pitch is "make the gate hardware the least annoying part of the job," with products engineered for fast fitting, consistent adjustment, and long service life.

The company is headquartered in **Waregem, Belgium**, and traces its origins to **1988** (often described as "over 30 years" in gate tech). Locinox supplies into **70+ countries**, positioning itself as a trendsetter in the fencing/gate world rather than a generic ironmongery line.
