Brand	Locinox
Product type	Gate Locks

Product Description

The Locinox Sixtylock Gate Lock Insert Set is a premium, all-in-one locking solution designed specifically for 60mm box section metal, aluminium, or PVC gates. This comprehensive kit includes a high-quality insert mortice lock, a secure cylinder with three keys, a surface-mounted SFKO keep, stylish tubular handles, and matching escutcheons.

Engineered with a 100% stainless steel mechanism, the mortice lock features an adjustable self-latching day bolt and a robust hook. When combined with the included SFKO keep, it forms an exceptionally strong and secure closure, preventing gate wings from being forced or pried apart. The anodised aluminium handles feature a sleek, modern black finish that complements any contemporary gate design.

Installation is quick and straightforward thanks to the innovative Quick-Fix system, which provides a fast and secure mount. The self-latching day bolt is fully reversible for easy left- or right-hand configuration and offers up to 10mm of continuous adjustment without dismantling the lock. Additionally, this set is Secured by Design accredited, offering certified peace of mind for your property's perimeter security.

Technical Specifications

- **Brand:** Locinox
- **Manufacturer Reference:** 6061049
- **Backset:** 40mm
- **Case Depth:** 57mm
- **Case Width:** 21mm
- **Faceplate Height:** 220mm

Brand Profile

Locinox

Locinox is a Belgium-based specialist manufacturer of **gate and fence hardware**, best known in the trade for installer-friendly, high-durability components like **gate locks, hinges, gate closers, latches**, and **electro-mechanical access control** parts designed specifically for outdoor, weather-exposed gates. Their whole pitch is "make the gate hardware the least annoying part of the job," with products engineered for fast fitting, consistent adjustment, and long service life.

The company is headquartered in **Waregem, Belgium**, and traces its origins to **1988** (often described as "over 30 years" in gate tech). Locinox supplies into **70+ countries**, positioning itself as a trendsetter in the fencing/gate world rather than a generic ironmongery line.
