Specification Summary

Brand	Locinox
Product type	Gate Locks

Product Description

The LOCINOX Keydrop Lockable Drop Bolt is a highly secure, surface-mounted drop bolt designed to lock your gate in either the open or closed position. Ideal for both domestic and commercial gates, this robust drop bolt features a Euro cylinder mechanism, allowing you to easily key it alike to match other locks on your gate system.

Engineered for durability, it features a strong stainless steel bolt housed within a weather-resistant, powder-coated aluminium casing. It is built to withstand the elements and has been rigorously tested to 500,000 movements, ensuring long-lasting reliability. Installation is quick and straightforward thanks to Locinox's patented Quick-Fix fittings, and it is suitable for gate profiles of 30mm x 30mm or larger. With a generous 140mm throw and 100mm of height adjustability, this drop bolt provides flexible and dependable security for your property.

Brand Profile

Locinox

Locinox is a Belgium-based specialist manufacturer of **gate and fence hardware**, best known in the trade for installer-friendly, high-durability components like **gate locks, hinges, gate closers, latches**, and **electro-mechanical access control** parts designed specifically for outdoor, weather-exposed gates. Their whole pitch is "make the gate hardware the least annoying part of the job," with products engineered for fast fitting, consistent adjustment, and long service life.

The company is headquartered in **Waregem, Belgium**, and traces its origins to **1988** (often described as "over 30 years" in gate tech). Locinox supplies into **70+ countries**, positioning itself as a trendsetter in the fencing/gate world rather than a generic ironmongery line.
