Specification Summary

Brand	Mila
Product type	High Security

Product Description

The MILA Kite Secure (ProSecure) PAS24 2 Star 220mm Lever/Lever Door Furniture is a high-security handle set designed to offer exceptional protection against common forced entry methods, including cylinder snapping, drilling, and grip attacks. Accredited with BSI's TS007 2 Star Kitemark and Secured by Design (Police Preferred Specification), it is suitable for PVCu, composite, GRP, and timber doors.

This robust handle features a deep-drawn steel subframe concealed within a zinc alloy backplate, providing superior strength and stability. It incorporates an integrated cylinder guard to prevent snapping, an anti-drill rotating disc to shield the cylinder face, and chamfered backplate shoulders to resist mole-grip attacks.

Available in multiple high-quality finishes, including Gold, Polished Chrome, and White, to suit your door's aesthetic. Please select your preferred finish, manufacturer reference, and barcode from the options below.

Technical Specifications

- **Backplate Length:** 220mm

- **Lock Centres (PZ):** 92mm
- **Screw Centres:** 122mm
- **Spindle Size:** 8mm
- **Standards & Certifications:** TS007:2012 2 Star Kitemark, PAS 24:2016, Secured by Design Approved
- **Durability:** Tested to BS EN 1906 Grade 4 (200,000 cycles under load)
- **Guarantee:** 10-Year Manufacturer's Guarantee
- **Suitable For:** PVCu, composite, GRP, and timber doors

Key Features

- **Integrated Cylinder Guard:** Visibly raised guard encases the cylinder to provide robust anti-snap protection.
- **Anti-Drill Protection:** A rotating steel disc shields the front of the cylinder to prevent drilling attacks.
- **Mole-Grip Resistance:** Chamfered backplate shoulders prevent attackers from gaining a grip with mole-grips.
- **Concealed Reinforcement:** Deep-drawn steel subframe inside the zinc alloy backplate provides exceptional strength and stability.
- **3-Star Security Potential:** Achieves a full 3-star security rating when used in conjunction with a TS007 1-star cylinder (such as the Kite snap-resistant cylinder).
- **High Durability:** Tested to BS EN 1906 Grade 4 for extreme durability and operational reliability.
- **Multiple Finishes:** Available in Gold, Polished Chrome, and White - please select your choice from the options below.
- **Fixings Included:** Supplied with M6 hardened steel screws for extra strength.
