0	5 LETTERS	Letters A > D	Yes
1	5 NUMBERS	Numbers 1 > 5	Yes

Product Description

Get your replacement or spare Mul-T-Lock Classic 05 security keys cut to code by the Lock & Key Centre, an Official Mul-T-Lock Centre. We use only genuine Mul-T-Lock key blanks and high-precision key cutting machines to

ensure a perfect, smooth operation every time.

To order, simply locate your 10-digit key code (consisting of 5 letters and 5 numbers, ranging from AAAAA-11111 to DDDDD-55555) on your plastic security card. Enter this code into the box provided and select the quantity you require. If you have lost your security card, we can decode your key from a clear, high-quality photograph.

Important Security Advice: For your peace of mind and enhanced security, we highly recommend having your keys delivered to an alternative address, such as a workplace, friend, or family member, rather than the address where the locks are installed. To maintain maximum security, all keys are shipped in secure packaging without any customer details or address information inside the package.

Please note: Please check that your existing key has '05' stamped on the metal shaft before ordering, as this service is specifically for the Classic 05 profile.

Technical Specifications

- **Key Profile:** Mul-T-Lock Classic 05 (verify '05' is stamped on the key shaft)
- **Code Format:** 10-digit code (5 letters and 5 numbers, ranging from AAAAA-11111 to DDDDD-55555)
- **Key Blank:** Genuine Mul-T-Lock blanks
- **Cutting Method:** Cut to code using precision machinery

Key Features

- **Official Mul-T-Lock Centre:** Professionally cut by an authorised dealer using genuine manufacturer blanks for guaranteed compatibility and longevity.
- **Easy Ordering:** Simply enter your 10-digit code from your security card, or provide a clear photo of your key if the card is lost.
- **Discreet & Secure Delivery:** Shipped without any customer details or address information inside the package for ultimate security.
- **Alternative Delivery Recommended:** We advise shipping to a work, friend, or family address for added peace of mind.

Brand Profile

Multlock

Mul-T-Lock (sometimes typed “Multlock”) is an Israeli high-security locking brand best known for **high-security cylinders**, **patented key systems**, and **mechanical + electromechanical access solutions** aimed at locksmiths, institutions, and commercial sites where key control and attack resistance actually matter.

- **Founded: 1973** in Israel (Mul-T-Lock states “founded in Israel in 1973”).
- **Ownership: Fully owned by ASSA ABLOY**; ASSA ABLOY completed the acquisition on **31 Jan 2000** (consolidated from 1 Feb 2000).

What it’s known for (the “why you’d stock it” bit)

- **High-security mechanical cylinders & keys** with strong key-control stories (patented platforms, restricted profiles, etc.).
- **Electromechanical upgrades** (turning “just a cylinder” into managed access) alongside classic mechanical master-keying for bigger sites.
- A big “locksmith channel” identity: Mul-T-Lock explicitly positions itself as a **locksmiths’ preferred partner**, with authorised centres and support tooling.

Tiny lore nugget

Their early growth story is tied to a “multi-directional / four-way” locking concept that helped launch the brand internationally, and later expansion into more advanced cylinder platforms.
