Specification Summary

Brand	Unknown
Product type	Rim Cylinders

Product Description

The Mul-T-Lock Garrison Rim Cylinder is a high-quality replacement cylinder designed to fit most standard nightlatches and rim locks. It is an ideal solution for upgrading your home or business security, especially when integrating multiple locks into a single key system.

This cylinder can be keyed alike or master-keyed to work seamlessly with the entire Mul-T-Lock Garrison range, including euro cylinders, Scandinavian, oval, bullet locks, and threaded mortice locks. This allows you to operate multiple doors and locks with just one key, reducing clutter and improving convenience.

Standard cylinders are supplied with a key registration code card and 2 keys. Keyed alike sets are supplied with 2 keys in total across the set. If you require a master key system, please contact our team for more information and bespoke pricing.

Available in both polished brass and satin steel finishes to complement your existing door hardware. Please select your preferred finish from the options below.

Technical Specifications

- **Cylinder Type:** Rim cylinder
