Specification Summary

Brand	Duracell
Product type	Battery

Product Description

The Duracell Procell range of trade batteries is specifically designed to meet the rigorous demands of professional and industrial environments. Engineered for dependable, long-lasting performance, these industrial-grade batteries are ideal for workplace equipment, access control systems, and other high-use devices.

Packaged in convenient boxes of 10, they are tailored for easy distribution and storage on-site or in workshops. This professional line is available in multiple output voltages, weights, and manufacturer references to suit a wide range of applications.

Please choose your required output voltage, weight, manufacturer reference, and barcode from the options below.

Technical Specifications

- **Brand:** Duracell
- **Pack Quantity:** 10
- **Packaging:** Boxed
- **Output Voltage:** 1.5V or 9V (please select from the options below)
- **Weight:** Ranges from 240g to 1.361kg (please select from the options below)
- **Manufacturer Reference:** S30267, S30268, S30269, D Cell, or S30266 (please select from the options below)
- **Barcode:** Multiple options available (please select from the options below)

Key Features

- **Industrial Grade:** Specifically designed for professional and workplace environments
- **Dependable Performance:** Long-lasting power output for reliable daily use
- **Convenient Packaging:** Supplied in boxes of 10, ideal for trade users and distributors
- **Versatile Range:** Available in multiple sizes and voltages to suit different devices
