Specification Summary

Brand	Skanex
Product type	Lever Furniture

Product Description

The Skanex Round Rose Lever Furniture Set is a durable, high-quality door handle solution crafted from robust stainless steel. Featuring a classic Return to Door (RTD) style lever, these handles are designed to offer an ergonomic grip and a clean, modern aesthetic suitable for both residential and commercial environments.

Engineered for a sleek finish and straightforward installation, this set employs a 4mm click fixing system with concealed fixings, ensuring no unsightly screws are left exposed on the rose. Each pack is supplied as a complete pair and includes matching escutcheons, an 8mm x 110mm spindle, and all the necessary fixings required for a hassle-free setup. With a 19mm handle diameter and a 50mm rose, this lever set provides a sturdy feel and reliable everyday operation.
